The term "member" as used in these bylaws shall refer to an individual, entity or joint membership. Any provisions relating to the rights and liabilities of membership shall apply equally with respect to the holders of a joint membership. The effect of the following actions by the holders of a joint membership shall be as follows:

- (1) The presence at a meeting of either or both shall be regarded as the presence of one member, and shall constitute a joint waiver of notice of the meeting;
- (2) A joint membership shall cast only one vote on behalf of the joint membership;

The membership of a member who has ceased to purchase electric service from the Cooperative shall be terminated by resolution of the Board.

A membership shall terminate upon the withdrawal, death, cessation of existence or expulsion of the member. Membership termination shall not release an obligation to pay any debt due the Cooperative.

In case of withdrawal or termination of membership, the Cooperative shall return the membership fee, after deducting any debts or obligations owed to the Cooperative.

A suspended member may not vote at any meeting of the members. Payment of all amounts due the Cooperative, including any additional charges

required for such reinstatement, and/or the cure of any breach of membership obligations or violations of rules and regulations shall automatically reinstate the membership.

ARTICLE II - RIGHTS AND LIABILITIES OF MEMBERS

Section 2.01 PROPERTY INTEREST OF MEMBERS. Termination of membership shall operate as a release of all right, title and interest of the members in the property or assets of the Cooperative.

Section 2.02 NON-LIABILITY FOR DEBTS OF THE COOPERATIVE. The private property of the members shall be exempt from execution or other liability for the debts of the Cooperative and no member shall be liable or responsible for any debts or liabilities of the Cooperative.

ARTICLE III - MEETINGS OF MEMBERS

Section 3.01. ANNUAL MEETING. The annual meeting of the members shall be held each year on a date and at a time and place designated by the Board, in any county where the Cooperative is providing electric service, for the purpose of electing board members, passing upon reports for the previous fiscal year, and transacting such other business as may come before the meeting. It shall be the responsibility of the board to make adequate plans and preparations for the annual meeting. The meeting may be postponed by the Board due to unforeseeable circumstances, including but not limited to a pandemic. Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative. An annual meeting may not be cancelled, but if it is postponed, the Board shall re-schedule the meeting no later than the date of the next annual meeting, and preferably in the year the meeting was postponed.

In the Board's discretion, an annual meeting may be held wholly or partially through virtual, electronic, drive-through or remote communication or participation.

Section 3.02. SPECIAL MEETINGS. Special meetings of the members may be called by resolution of the board, or upon a written request signed by any three board members, by the president, or by ten percent or more of all the members, and it shall thereupon be the duty of the secretary to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within one of the counties served by the Cooperative as designated by the board and the subject matter of the meeting shall be specified in the notice of the special meeting and such meetings may be held wholly or partially through virtual, electronic, or remote communication or participation.

If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his/her address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of an annual or special meeting of the members shall not invalidate any action, which may be taken by the members at any such meeting.

Section 3.04. **QUORUM.** Business may not be transacted at any meeting of the members unless there are present in person or by proxy or electronic transmission of at least fifty members, except that, if less than a quorum is present at any meeting, a majority of those present in person may adjourn the meeting to another time and date. This requirement applies regardless of whether the meeting is conducted in person or held wholly or partially through virtual, electronic, or remote communication or participation.

Section 3.05. **VOTING.** Each member shall be entitled to only one vote upon each matter submitted to a vote at a meeting of the members. The representative of an entity shall be permitted to vote upon presenting to the Secretary satisfactory credentials and authority to vote on behalf of such member. All questions, except those involving multiple choice issues or determinations, shall be decided by a vote of a majority of the members voting thereon except as otherwise provided by law, the Articles of Incorporation or these bylaws. Multiple choice issues or determinations shall be decided by a plurality vote. If in the election of Directors there is a tie, such tie shall be resolved by means of a coin flip. No proxy voting shall be allowed.

SECTION 3.06 Mail Ballot. Issues may be presented to the members by means of a written ballot forwarded to the members and returned to the Cooperative by mail. The Board shall determine which issues are decided by a mail ballot and what terms and conditions will regulate its use. Issues decided by a mail ballot in which the number of votes cast is equal to or greater than the number of members needed to constitute a quorum for a membership meeting shall have the same force and effect as a vote taken at a meeting of the members. If, at any time, an election of Directors is held by mail ballot, subsequent elections of Directors shall be by mail ballot unless members vote otherwise.

SECTION 3.07 Balloting Procedures. In the case of all balloting by members, the Board shall establish written procedures designed to accomplish the following objectives:

- (1) That each member has a reasonable opportunity to cast a vote which will be counted.
- (2) That no member has the ability to cast votes in excess of those to which such member is entitled.
- (3) That no non-member has the ability to cast a vote.

The Board shall draft such procedures with respect to all votes of members, regardless of whether conducted by actual attendance at a meeting of the members or by mail ballot. No deviation from such written procedures, no failure to adhere to such written procedures or no failure of the above procedures to accomplish the intended objectives shall invalidate any vote or action of the members except to the extent resulting from gross and wanton negligence.

ARTICLE IV – BOARD OF DIRECTORS

Section 4.01. **GENERAL POWERS.** The business and affairs of the Cooperative shall be managed by a board of nine Directors which shall exercise all of the powers of the Cooperative, including those under the Kansas Electric Cooperative Act and other Kansas law, the articles of incorporation or these bylaws conferred upon or reserved to the members. Within thirty days following a Directory Territory revision, and at least thirty days before the next annual Member Meeting, the Cooperative must notify in writing or electronically, Members affected by the Director Territory revision. Director Territory revisions are effective on the date the Cooperative releases written or electronic notice of the Director Territory revision.

SECTION 7.03 Cost of Defense Indemnified. To the extent that a director, officer or employee of the Cooperative has been successful on the merits or otherwise, in the defense of any action, suit or proceeding referring to in Sections 7.01 and 7.02, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therein.

ARTICLE IX – DISPOSITION AND PLEDGE OF PROPERTY; DISTRIBUTION OF SURPLUS ASSETS ON DISSOLUTION

SECTION 9.01 Disposition and Pledging of Property.

(1) The Board, without authorization by the members, shall have full power and authority to authorize the sale, lease, lease-sale, exchange or other disposition of less than a substantial portion of the Cooperative's properties and assets ("Substantial portion" as used in this section, means ten per centum or more of the fair market value of the Cooperative's total properties and assets), and to authorize the execution of mortgages, or deeds of trust, or the pledging or encumbering of, any or all of the property, assets, rights, privileges, licenses, franchises and permits of the Cooperative, whether acquired or to be acquired, and wherever situated, as well as the revenues and income therefrom, all upon such terms and conditions as the Board shall determine, to secure any indebtedness of Cooperative.

(2) Not in conflict with, or in lieu of, but rather as supplementary to the other subsections of this section, the following procedures shall be followed in authorizing a sale, lease, lease-sale, exchange or other disposition of all or a substantial portion of the Cooperative's properties and assets:

a) Before allowing any plan or proposal therefore to be submitted to the members, the Board shall appoint at least one, but not more than three independent appraisers expert in such matters, to render their individual opinions as to the fair market value of the Cooperative's assets and properties, including its good will and going business value, and as to any other terms and conditions which, in their respective judgments, should be considered. The Board, after receiving such appraisals (and other terms and conditions which are recommended, if any), shall then give every other electric cooperative in Kansas (which has not submitted such a plan or proposal) an opportunity to submit competing plans or proposals. Such opportunity shall be in the form of a written notice to such electric cooperatives, which notice shall attach a copy of the initial plan or proposal being then considered and a copy of the reports of the appraisers. Such electric cooperatives shall be given not less than thirty days within which to submit competing plans or proposals, and the actual minimum period within which plans or proposals are to be submitted shall be stated in the written notice given to them.

b) If the Board then determines that favorable consideration should be given to the initial or any subsequent proposal which has been submitted to it, it shall adopt a resolution to that effect and so notify members, expressing in detail each of any proposals, and shall call a special meeting of the members for consideration thereof, which meeting shall be held not sooner than twenty days nor later than fifty days after the giving of such notice to the members: PROVIDED, that consideration thereof by the members may be had at the next annual member meeting if the Board so determines and if such annual meeting is held not sooner than twenty days nor later than fifty days after the giving of such notice.

c) Ten percent or more of the members, by so petitioning the Board not less than twenty days before the date of the special or annual member meeting at which such a plan or proposal will be considered, may cause the Cooperative, with the cost to be borne by the Cooperative, to mail to all other members at least ten days prior to such member meeting, any opposing positions or alternate plans or proposals which the petitioners may have.

d) Any such proposal shall be deemed adopted if approved by a majority vote of the Members voting thereon.

e) The provisions of this section shall not apply to any sale, lease or other disposition to another Kansas electric cooperative if the legal or substantive effect of such sale, lease or other disposition is a merger or consolidation pursuant to the act under which the cooperative is incorporated.

(3) Otherwise, the Cooperative may not sell, lease, mortgage, encumber or otherwise dispose of all or any substantial portion of its property unless such action is authorized at a meeting of the members thereof by the affirmative vote of not less than two-thirds of all members of the Cooperative, and unless the notice of such proposed sale, lease, mortgage, encumbrance or other disposition shall have been contained in the notice of meeting.

SECTION 9.02 Distribution of Surplus Assets on Dissolution.
